

IHC Partner Programme

6 November 2026

When people think of Belgium, chocolate is often the very first thing that comes to mind. Belgian chocolate is renowned worldwide, and the love story between this small country and its sweet delicacy has been flourishing for generations.

That is why, on **6 November**, we are delighted to take you to the **Chocolate Nation Museum** for a tailor-made programme.

Chocolate traditions, history, brands, products, and innovations that have contributed to Belgium's worldwide reputation, as well as a tasting session or workshop and a light lunch to conclude the day – we will discover it all during our journey through the museum.

In the evening, you are warmly invited with all the conference participants to join the closing dinner at the Antwerp Zoo, offering a memorable and unique setting to bring your stay to a close.

Practical information

- **Date:** Friday, 6 November
- **Time:** 10:00 – 16:00
- **Activity:** Museum visit including a workshop/tasting session
- **Lunch:** Restaurant Octave (at the Chocolate Nation Museum)
- **Closing Dinner:** Antwerp Zoo
- **Participation fee:** €250

We will meet in the morning in the lounge area of the Lindner Hotel and walk together to the museum, which is located within walking distance.

After this enjoyable experience, there will be some free time for those who would like to further explore the city, do some shopping, or discover Antwerp's world-famous diamond district—another product for which the city is renowned.
