

International Hardwood Conference 2026 – Call for sponsorship

On Thursday 5 and Friday 6 November 2026, Fedustria's 'hardwood timber importers group' will be the host of the International Hardwood Conference. This 11^h edition of the IHC will take place at the Lindner Hotel in the beautiful city of Antwerp.

Take advantage of this unique opportunity to get in touch with key players in the hardwood sector, both producers, importers, traders and users, by becoming sponsor of this event. During the conference, not only market trends and future prospects are presented, but you will also have the opportunity to network with your customers and suppliers. We traditionally expect up to 150 participants from more than 20 countries.

A nice social programme (welcome reception, official dinner in the Antwerp Zoo) and study tour to the Port of Antwerp make the event extra attractive.

On the following page you'll find the sponsorship options.
